Subject: Northern Tier

We held our informational meeting on the possible trip to the Northern Tier Canoe Base in Ely Minnesota for the summer of 2010. We will be securing a reservation ASAP for an 8 day trip arriving at the base on July 19th. Attached is a roster of those who have expressed interest in going on the trip. From this kick off we have determined that we can take two crews on the trip. This gives us the flexibility of carrying between 8 and 12 scouts in total, plus 4 adults. The names on the list have priority, and if all 10 scouts indicated do participate, then we only have room for two more scouts. If you are interested in going and have not told me, you need to do so ASAP.
